MISCELLANEOUS.

THE NATIONAL

COMPANY.

A new enterprise, to be known as the Narnal Telegraph Company, has been organized with valuable franchises can erred by a scent act of Congress for the purpose of est lishing Trunk Lines of Telegraphs on all the principal ratitonds and mail routes in the United States. The stock is to be issued upon the same principle as that of the Merchant's Union Express Company, which recently commood operations. The design is to interest the entire business community in the enterorise. This is done, not so much to dispose of the stock as it is to secure the business of the ountry through which the lines pass, The Capital is to be

\$10,000,000.

In 100,000 Shares, of the par value of

\$100 PER SHARE. But the setual amount to be paid in each !

\$35 Per Share.

And this amount is to be paid as follows: One per cent, of the par at the time of subscribing, and no more, until the entire capital has been subscribed, and then on calls to be made by the Board of Directors; instalments not to exceed

Which will be sufficient to duplicate lines to all or nearly all the paying points reached by The present Telegraph Companies of the country have been consolidated into one home monepoly, and are now earning over SIX MILLIONS OF DOLLARS per year, or of their lines, their present capital having been ratered over ONE THOUSAND per cent. THE NATIONAL PELEGRAPH COMPANY ave a recognition from the Unlied States evernment of the importance of their enter prise, with a grant of the most valuable cranchises ever conferred upon a telegraph company. No competing line has ever had the

from that of any company ever before organized. The question of the RIGHT OF WAY IS FOREVER SETTLED. The stockbolders of this company cannot be old out or /RANSFRERED to any other company. The act of Congress under which this company has been organized, prohibits

any transfer of the franchises granted.

right now granted by 'ongress to this company

to construct and operate libes over every RAILROAD and MAIL BUUTS in the United

States The position of this company differs

CALLS---HOW TO BE MADE.

One per cent, of the Stock will be required on cribing, and subsequent calls, not to exseed five per cent, per month, will be made by the Board of Directors, from time to time, as MILLS, LUMBER, ETC. and equip the lines; but no calls will be made after the one per cent is paid, until the EN-

PLAYING AND FLOORING MILLS, ACTUAL CAPITAL REQUIRED

Which will connect all the commercial cents and important places in the United States This opinion rests upon the most reliable estimates and responsible offers to construct and equip the lines. The National Telegraph Company is organ ised under the Laws of the State of New York
